Helpful tips for La Familia Nominators

Thank you for taking advantage of this wonderful opportunity to nominate someone you know for recognition by the Hispanic Foundation of Silicon Valley and by their community.

We want to help you to prepare the best nomination possible. As such, we have provided this simple list of tips for you to consider as you prepare your nomination.

1. _____ Am I submitting all of the required contact information (i.e., phone numbers, addresses, e-mail addresses and signatures)?
2. _____ Am I clearly describing the role of each family member's military service and volunteer contributions to our Silicon Valley community?
3. _____ Am I describing a major accomplishment this family has delivered to a Silicon Valley organization or community they serve? If you have any supporting materials to substantiate this, please feel free to submit that as well (i.e., photos, nonprofit newsletter articles, awards etc.).
4. _____ Are there multiple generations that are involved in serving, volunteering and, if so, have I described their involvement and the value the family, as a whole, places on national and local community service?
5. _____ Am I adequately sharing the story of this family's exemplary commitment by conveying that they have performed their service beyond the scope of what is expected and are role models and an inspiration to others?

We hope this page is helpful in producing your nomination. We look forward to reading about your nominated family. Please know that your thinking enough of them to produce this nomination will be treasured by us and by your nominated family.

Gracias.
